

“Hi my name is Terry Marsh and I am a Team Coordinator” I have always wanted to say that!!!

I got the call or should I say 3, because I didn't listen to the first 2, almost 2 ½ years ago, thankfully my dear friend Mr Eugene Piccinotti persisted. I got started from day one, slowly only 2 hours every Sunday night, but always saw the opportunity that if you just keep plugging away you must succeed, just keep following the system.

I live in Queenscliff which is about a 1½ hour drive from Melbourne I have three beautiful daughters 15, 10 and 6 (my why) my wife Julia is a research scientist with CSIRO and works too hard and for too long. I have my own handy man business and drive a charter boat over summer and whenever they need me. I had a very busy life already before ACN. I was time poor.

I have seen reps do it fast and do it slow, some quit and some say this doesn't work. But I never lost my focus on my why, that was my driving force. This is a business that has been around for 14 years in 19 countries, who knows what the future will bring. All I know is that I want to be part of it. This is our chance.

There is one main reason I am where I am today and that is because of the help, support, training and friendship from my sponsor Mr Eugene Piccinotti. Eugene and his wife Karen have been there for me ever step of the way, through all the ups and downs. Thank you

My goal is to pass on what I am learning to everybody, to help everybody I can get to where they want to go; there are no limits in this business. You can have everything you want in life.
